QUALIFICATIONS

- B Sc Degree in Civil Engineering
- MIE Aust Engineers
- Chartered Professional Engineer

SPECIFIC SKILLS

- Management of Major Projects
- Management of Project Teams
- Manager of Engineering Department
- Manager SC Project Portfolio
- Client Owners Team
- Feasibility Studies Major Projects
- EPCM Major Projects
- Project Management
- Construction Management
- Business Development
- Computer Systems Analyst

PREVIOUS EXPERIENCE

- GM Mining WA - Transfield Services
- Manager PH Sustaining Capital- Iron Ore
- Project Director FRCP Projects – Iron Ore
- Tie-in Manager E&G Projects - Alumina
- Project Manager - Major Projects – Alumina
- Tie-in Manager – Major Expansion- Alumina
- Project Manager – Major Projects –Petrochem
- EPCM – Alumina
- EPCM - Chemical Industry
- Construction Manager- Major Projects – Petrochem
- Offshore Platform Specialist - Petrochem
- Offshore Pipeline Specialist - Petrochem
- Concrete Off-Shore Platform Construction
- Petrochem Refinery Design Experience
- Oil Pipeline Specialist Design and Construction
- Oil Field Design and Development
- Major Projects Chemical Industry
- Area Maintenance Engineer - Alumina
- Area Maintenance Engineer - Chemical Industry
- Engineering Design Mechanical - All Industries
- Engineering Design Structural- All Industries
- Engineering Design Civil – All Industries
- System Analyst – Finance and Accounting

Geographical Locations

- West Australia
- UK
- Holland
- Germany
- Nigeria
- Saudi Arabia
- Egypt
- Norway

Companies

- BHP Billiton
